Identification of Vulnerable Groups within the Community

Namely:- The elderly and frail, those pregnant and or with very young infants, the infirm or those with special needs.

Action:- Parish Councillors are asked to make themselves aware of all such persons in their immediate locality and to alert the emergency services and other appropriate bodies in the event of an emergency.

It shall be policy to encourage a 'Good Neighbour' attitude at all times.

Revision of this Emergency Plan

This plan shall be revised and updated at the January meeting of the Parish Council each year.

Possible Emergencies.
