EASTER – GOD'S GIFT OF NEW LIFE

*“Why do you look for the living among the dead? He is not here.....*

*He has risen!” (Luke 24 v5)*

I'm so glad that, in this country, Easter comes at the time of year when creation seems to be waking up after that period of cold weather and long nights. For too long the garden seems to have been locked to any signs of life, almost as though it's waiting for Spring to free it from the stranglehold winter seems to force upon it.

But now I see crocuses poking through the soil and new leaves on the rose bushes. New life is breaking free in every corner of the garden. Soon migratory birds will return from their months of exile in warmer climes and small mammals will sleepily emerge from hibernation. Winter can't hold back the inevitable emergence of colour and vitality that Spring brings.

So, at Easter time, we can, if we wish, focus on holidays, Easter eggs and old films on the telly. But what if we delve a little deeper into the reasons behind the season? If we do, we'll find something much richer, something that has the power to change our lives forever. Easter offers us the possibility of knowing that God is near and the chance to get to know Him. We are part of His creation, individually crafted with our own, unique mix of qualities and attributes. And the creator loves His creation and offers us the gift of life for all eternity. All because of His son, Jesus Christ, who was killed on Good Friday and was buried. Everyone thought that was the end but, thankfully, God had other plans.

Someone said to Joseph of Arimathea, 'That was such a beautiful, costly, hand-hewn tomb. Why did you give it to someone else to be buried in?'

'Oh,' said Joseph, 'He only needed it for the weekend!'

At Easter we remember that empty tomb of Jesus – yes, empty and never to be filled again. After the darkness of Good Friday, when we think of Jesus' sufferings and His life being extinguished for our sakes, Easter day is upon us, the stone rolled away, the tomb empty and Jesus risen! Evil and death couldn't hold Him. Jesus is alive and promises new life for anyone who will turn to Him in hope and faith. Have a joyful and blessed Easter time.

**Long grass for nature** Let your grass grow long for nature this summer!

If you have grass in your garden, you're invited to join in a bid to boost insects in Eden, all while bringing some lovely colour to your lawn. Households are being asked to leave their grass to grow longer this summer, giving wildflowers a chance to bloom, which helps insects including bees and other pollinators.

"The staggering decline in insect numbers both here and globally has been widely reported in the media," said Chris Cant, from Penrith Action for Community Transition (PACT), the volunteer group behind the Long Grass for Nature campaign. "More than 40 per cent of insect species are declining. Given that about three-quarters of crops grown by humans rely on insects to pollinate them, we all have a stake in helping their numbers to recover. Many species of birds and other wildlife also rely on insects for their food, so if we can all give the insects a helping hand in our gardens, we'll be supporting nature more widely, too."

It couldn't be easier to take part. Simply choose a patch of grass, or your whole lawn if you can, and let it grow long. You can try it for the month of May or see if you can leave it all summer. Then, watch as the wildflowers like buttercups and daisies take their chance to shine. If you have a larger lawn, you could even mow a pathway through it, so you can enjoy watching all your new insect visitors. If you plan to give it a go, PACT would greatly appreciate it if you'd fill in their online form, so they can track how many people take part this summer. You'll find the form and more information on their website: [www.penrithact.org.uk](http://www.penrithact.org.uk).

### **From the Herald - April 1920**

Wet since November, still so in April.

Easter, 4<sup>th</sup> April, cold NW wind and rain. Swallows returned in 3<sup>rd</sup> week. The Helm blew in 1<sup>st</sup> week (mostly absent this winter). Bread and bacon prices go up on Mon 12<sup>th</sup> (subsidy out). Farm wages increased on 17<sup>th</sup> by Govt. Order.

Coal Shortage, due to lack of rail-trucks.

Mr. Robinson Nelson, Asst Overseer of the Poor in Little Salkeld, was up for absence from two audits. He said he'd got the dates wrong for the first, and for the second he wasn't home in time (was ill).

"Well", said the Chairman of the Penrith Branch, "that won't do. You could have sent us the books." Fined £2 per case, the maximum possible, plus 27s.3d costs. (Equivalent to £530 today). The Overseer of the Poor was there to help those hard up in Little Salkeld. They went to him for a handout, financed by the rates. If he thought they deserved help he paid, if not, they got nowt.

Regional District Council: Re Culgaith – Langwathby Road needs steamroller now, but 3 months waiting list, so RDC will hire one. Who owns the verge on Pea Hill, Culgaith? Culgaith School should get itself a garden, not go on using the verge.

An Irish tramp was caught stealing from the till in Gamblesby Post Office. Remanded.

Mr. William Teasdale, ex Winskill, now of Brougham Castle Farm, has begun a cheese factory for his spare milk, in Penrith.

Due to the current situation, we are putting the renewal of the village hall lottery on hold for now to avoid having to hand deliver the letters and collect in the money.

## VILLAGE HALL COMMITTEES

At the recent Memo AGM, the committee discussed whether it would be useful for the village halls to produce a list of the regular events being held in each hall. Everyone who attends, for example, yoga, archery, dominoes, etc knows when it takes place, but other people may not be aware. By bringing this information to their attention, it may encourage more people to come, making the activity and the village hall that bit more viable. This is not intended to replace the adverts that village halls put in to advertise one off events but to list the regular weekly or monthly events. We hope to offer this listing free of charge, when and where there is space in The Memo.

## COVID-19 THE CHURCH CONTINUES TO BE ALIVE AND ACTIVE, BUT OUR BUILDINGS ARE CLOSED

Both the Church of England and the Methodist Church have issued statements announcing the suspension of all worship services and the closure of all Methodist and Anglican churches until further notice.

Whilst this will mean a huge change to our normal practice, we feel it is important to offer opportunities to continue to worship at home. To this end you are encouraged to see The Church of England and the Methodist Church printed services for home use which includes all the elements you might expect in Church.

We will provide information as to how to access these home services electronically, with the weekly notice sheet we send out and via the East of Eden Mission Community (EEMC) website and we plan to organise delivery of paper/hard copies for those who don't have access to the internet. One of our EEMC ministers will also write a reflection to go with each service to add a local flavour.

Our EEMC ministers can also be contacted by email or telephone: -

As usual the standard was very high and it was hard to choose from them all. Here are a few more of the excellent drawings.

Thanks again to our cover artist **Tom** and his other classmates at Langwathby School for participating in preparing Easter drawings for the Memo.
